the Police Force to Make a Modest Request to the Council.

As is known, the members of the police force are on the pay roll of the city for 860 per month, but they have had to dis count the scrip paid them 25 per cent. and find three months salary out of the twelve paid to those who accommodate As many of those who have claims against the city are allowed an amount sufficient to pay the discount the policemen think the council will be willing to do them a service something in the same line, and have therefore united in a petition that the council allow a sufficient sum to purchase each man on the force a good serviceable uniform, not to exceed \$50 in cost. This petition has been endorsed by City Attorney Warren, City Secretary Early, and other officials, and meets the approval of many citizens. The officers will appear in their new uniforms on Christmas day if the council will make the allowance.
